

Representing Sevenoaks in 2021

If you would like to represent Sevenoaks Riding Club in a team or as an individual this year, please complete the form below. You can only compete for one affiliated club in a competition year.

All horses must have a complete Flu Vaccination record and will need to be microchipped as of October 2020. A copy showing all the primary and 6-month booster dates with the horse identification must be enclosed or sent to the Team Manager at least four weeks before the competition. Please note that those qualifying for National Championships will be required to pay the cost of stabling for their horse/horses at the championships.

It is policy at all area qualifying events that each team helps for one slot. A slot is a half-day, approximately 4 hours unless it's Horse Trials in which case it's a whole day. When the times are put up there should also be a rota published saying which club helps where and at what time.

With a view to making this as fair as possible, we shall organise a rota for our allotted slot which hopefully fits in with each competitor's time. Alternatively, you may wish to do an entire slot in which case you will not be called upon again to help at a qualifier that season.

Obviously help can be provided by the rider or someone with them.

Name _____ Email _____

Telephone No. _____ Mob No. _____

Type of membership _____

Horses Name (as on Vaccination certifacte) _____

Pony Club/ Riding Club Tests _____

BHS Qualification _____

Flu Vaccination (please circle) Copy Enclosed/Emailed Document to be sent

Please complete the table below with all the relevant information about your horse and mark the disciplines that you would like to compete in

Discipline	X	Level/height Competing	BD/BE Points	Affiliated prize money
Dressage				
Riding Test				
Show Jumping				
Horse Trials
